Subject: RE: Northern Ireland Prestige Awards 2026 - International Law Firm of the Year!

Good Afternoon Andre,

It was great speaking with you today and I'm glad I could provide you some good news!

As confirmed, you've been selected as this year's winner, congratulations Andre! I will summarise everything below and if you have any questions, please let me know.

ABS&P International Law Firm – International Law Firm of the Year!

2026 Winner

I have attached the winner's logo above which supports the award. We will be **publicly announcing the results this year** with an **official press release**, we do recommend all winners correlate their own announcements around this as you can then link the achievement back to the magazine, details on the judging process and other awards information.

For the last **17 years** we have been running **national and international** awards under the *Corporate LiveWire* and *LTG business platforms*. In 2018 we introduced our **regional** awards to recognise smaller, independent businesses that are extremely successful and hard working on a local level. We ask each nominee to submit supporting information for their chosen category and once the allocation of nominations is met, all businesses within that particular category are then passed onto our panel of **industry expert judges** who will then select a winner. Alongside the questionnaire's, publicly sourced information is used such as **reviews, testimonials and information provided on the company's website and, when relevant, their social media platforms**.

The Prestige magazines are available to all registered subscribers as well as all companies and individuals who have entered this year's awards, those who have submitted nominations and our media partners.

Below I have linked our recent London Prestige winner's publication which will provide a representation on how the **2026 Northern Ireland Prestige winners publication** will look once released.

Previous London Publication:

<https://awards.corporativewire.com/London2526/London2526.html>

Password: [redacted].

All winners will be listed in the Awards Magazine, this is **complimentary**, however, you do have the opportunity to be part of the **editorial content** which may include **interviews** and other features that promote your services as well as the story behind the business including the *core values that truly make you stand out within the industry*. All we are doing at this stage is confirming, if of interest, what **promotional option** each winner would like to opt for as there are many to choose from but please keep in mind that all packages are subject to availability. Once all editorial positions are allocated, only then can **physical items** be secured from that point onwards.

Our full range of further editorial and physical options is linked below:

[Prestige Media Kit](#)

We'd love for you to attend our awards events for a meet and greet with the judges and team, celebrations, photoshoots/video interviews, networking with businesses and other winners from across the globe! The events are held across the UK and Internationally. It's free for you to attend with complimentary drinks being provided for all on arrival. You can check out the link below and find the extensive list of events being held throughout the year.

Once you have reviewed all the information, please let me know if you are happy with the standard exposure or do see the value in the extra coverage and items moving forward.

Congratulations once again Andre!

Kindest Regards,

Kade Rogers
